GDPR Consent

St John's and St Mary's are updating their database and we need your help to do this. Over the coming weeks stewards will be handing out GDPR forms before church services. We would be grateful if you could fill these in and return them to the box provided at the back of the church or to the church office. We want to ensure we have up to date contact details for everyone. We also need to make sure we comply with current GDPR legislation which means we must have a signed copy of your consent to contact you.

Thank you for your help.
